**ORDER FOR ATTORNEYS' FEES ACCOUNTING**

This matter comes before the Court on the Unopposed Motion and Memorandum of Law in Support of Class Plaintiffs' Petition for Award of Attorneys' Fees, Costs, and Award of Incentive Fee to Named Plaintiff (Doc. 97) and the Order of Reference (Doc. 84). In order to evaluate Plaintiff's petition for attorneys' fees, the Court orders Plaintiff's counsel to provide an accounting of hours worked on this case as well as the hourly rates for all attorneys and staff involved. In itemizing the hours worked, counsel should indicate whether a task is attributable only to this case or whether it is also attributable to other similar cases, such as *Crutcher*. If a task is also attributable to another case, counsel should indicate whether they have been paid, are seeking payment, or anticipate seeking payment, separately for such work.

**IT IS SO ORDERED.**
